Are you an NYC Licensed Master Plumber (LMP)?

YES

You are **NOT EXEMPT** from having to obtain operator qualification in Covered Tasks 86 and 87 to conduct inspections and maintenance of US DOT jurisdictional gas piping. See our website on how to obtain OQ.

You are **EXEMPT** from additional experience and training requirements for purposes of **Local Law 152/2016** periodic building gas system inspections. No additional affidavits/paperwork required.

You are **EXEMPT** from additional experience and training requirements for purposes of **Local Law 150/2016** Department of Buildings (DOB)-issued gas work qualification. No additional affidavits/paperwork required.

NO

Do you have at least **5 years** of experience working under an NYC LMP?

YES

You are **ELIGIBLE** to obtain operator qualification in Covered Tasks 86 and 87 to conduct inspections and maintenance of US DOT jurisdictional gas piping. See our website on how to obtain OQ. You must be working directly for an LMP who is responsible for completing the application.

You are **ELIGIBLE** to conduct **Local Law 152/2016** building gas system inspections if you also complete the required 7-hour training and knowledge check. **ALREADY COMPLETED THE GOQ CT86/87 COURSE AND OBTAINED YOUR OQ CARD?** Good news, it is approved by DOB for the LL152 gas inspections. Have your LMP fill out this Affidavit so we can record your experience. According to DOB, your LMP is ultimately responsible for ensuring those conducting LL152 inspections have the requisite experience and training.

You are **ELIGIBLE** to obtain gas work qualification from DOB for **Local Law 150/2016**. See DOB's website for information on obtaining such qualification, including the requirement to pass an exam.
